

SAVE THE DATE!
2nd Annual
Diabetes Fair!
In recognition of Diabetes
Awareness month

Diabetes from A to Z

Free One-Day Diabetes Awareness Health Event

When:

Monday, November 15, 2010
09:00 am to 4:30 pm

Where:

Our Lady of Fatima Hospital
Ambulatory Care Center
200 High Service Avenue
North Providence, RI

If you are living with diabetes or think you may be at risk, join the Fatima Hospital Diabetes Self-Management Education (DSME) team for a free one-day health fair featuring screenings, lectures, informational booths and a panel of diabetes specialists including doctors, nurse educators, dietitians, pharmacists and more.

Recognized for excellence and certified by the American Diabetes Association and RI Department of Health, the Fatima Hospital DSME team will provide you with a basic understanding of diabetes, current treatment options and tools for successful management. Join us for this exciting and informative day. No pre-registration required!
